Regulatory information

With this statement Corporación Empresarial Altra S.L. shows its commitment to comply to the requirements of the European Union's in the Directive EC1907/2006 about REACH (Registration, Evaluation, Authorisation and Restriction of Chemical Substances).

Our policy is to be fully compliant with the REACH legislation and to work closely with suppliers and customers.

This declaration is part of our policy of keeping our customers fully informed about our REACH commitment. Corporación Empresarial Altra S.L. is considered as "downstream user" as far as the REACH document, Art 3, Nº 13. Hence, we are not obligated to register our products. However, if we must guarantee that we only use registered substances at the date of this document.

In order to guarantee compliance with REACH Regulation, Corporación Empresarial Altra S.L. has requested information from its suppliers to know the substances in the products that they supply us. The products that we supply are non-chemical products and under normal and reasonable use, they will not release harmful substance.

The Substances of Very High Concern ([SVHC](#)) are designated by European Chemical Agency (ECHA). In the case that SVHC are contained in our final products in concentration above 0,1 % weight by weight (w/w), this information will be properly communicated to our customers.

We will continue to monitor the REACH regulation and advice of any changes. To the best of our knowledge, we also declare that our products do not contain any of the substances listed on the [Annex XIV](#) of the REACH regulation.

Corporación Empresarial Altra S.L. declares, based on the information provided to date by our suppliers, that substances/preparations used to manufacturing of control equipment for the air conditioning sector comply with REACH requirements.
